

Austin Kelly - Product Support Specialist at Ashby

Austin Lee Kelly

Van Buren, AR

📞 901-247-8155 | ✉️ theaustinkelly@gmail.com

🌐 [Portfolio](#) | [LinkedIn](#)

Summary

Curious, empathetic and detail-oriented **Product Support Specialist** with over 10 years of experience in customer-facing technical roles across B2B, SaaS, and enterprise environments.

Skilled in **resolving complex issues**, **curating feedback**, and collaborating with cross-functional teams (Product, Engineering, Sales).

Strong ownership mindset with a proven track record of **improving documentation**, **automating support workflows**, and enhancing customer satisfaction.

Adept in **troubleshooting**, **proactive problem-solving**, and maintaining a **customer-first approach** in rapidly evolving product ecosystems.

Professional Experience

Freelance UX, Content, and Technical Writer | Remote

Jan 2018 – Present

- Created detailed onboarding guides, FAQs, and help articles to reduce ticket volume and enable customer self-service.
- Translated complex product features into accessible documentation, boosting user satisfaction and reducing time-to-resolution.
- Partnered with product teams to surface customer insights and streamline support workflows.
- Provided customer support and technical consulting for small businesses and eCommerce clients using SaaS platforms like Shopify, Klaviyo, and WordPress.

Technical User Support Analyst | Medtronic | Memphis, TN

Apr 2018 – Feb 2019

- Provided technical support and education to field representatives via email and ticketing systems for enterprise-level medical devices.
- Within my first month, developed and maintained a PowerShell menu script that automated repetitive support tasks, reducing deployment time by 60%.
- Took initiative to streamline internal team processes using automation, reducing engineering escalations by 40%.
- Supported and documented workflows for technically complex products, contributing to faster onboarding and fewer escalations.
- Collaborated regularly with Sales, Product, and Engineering to relay feedback and improve user-facing documentation.

IT Support Specialist | City of Fort Smith Government | Fort Smith, AR

Jan 2011 – Apr 2018

- Delivered technical support for 1,200+ devices across 1,000+ users, ensuring low downtime through proactive automation and process design.
- Curated internal documentation and wrote end-user guides, improving help desk response quality and consistency.
- Compiled user feedback into actionable insights for IT leadership, contributing to more effective hardware and software rollouts.
- Coordinated IT efforts across departments, including Public Safety, HR, and Legal, ensuring alignment with strategic goals.

Founder & Support Consultant | Fancy Fox Creative | Fort Smith, AR

Sep 2010 – Dec 2017

- Led UX and support documentation for clients in various sectors, ensuring long-term platform adoption.
- Created CMS walkthroughs and support portals, cutting client support requests by 40%.
- Implemented training guides and operational playbooks to ensure clients could manage tools independently.

Director of Information & Technical Writer | Fort Smith Chamber of Commerce | Fort Smith, AR

Jul 2007 – Jan 2011

- Created documentation to support regional business recruitment and expansion projects.
- Managed internal IT operations and technical support for a 10-person office, including hardware and software training.
- Developed onboarding resources and internal help guides to improve IT service efficiency.
