Professional Summary

Detail-driven **Technical Writer** with 10+ years of experience creating user-facing content, training materials, and support documentation in SaaS, healthcare, government, and eCommerce sectors.

Adept at developing **user guides, FAQs, training decks, portal documentation**, and internal SOPs that improve usability, enhance learning outcomes, and streamline adoption.

Proficient in **L&D content development**, cross-functional collaboration, and tools like **Microsoft Office Suite, Adobe Acrobat, and Snagit**.

Proven ability to **translate complex systems into accessible content**, increase user satisfaction, and reduce support volume.

Passionate about empowering users and improving customer experiences through clear, actionable documentation.

Professional Experience

Freelance Technical & UX Writer | Remote

Jan 2018 – Present

- Created and maintained **user guides, onboarding decks, and knowledge base articles** to reduce ticket volume and improve support workflows for clients using platforms such as Shopify, Klaviyo, and WordPress.
- Translated product features into simplified training documentation, resulting in a **30% decrease in onboarding queries**.
- Collaborated with cross-functional teams (Product, Sales, Support) to gather feedback and update self-service materials based on evolving features.
- Designed and delivered **training resources and visual aids**, improving client adoption by 40%.

Technical User Support Analyst | Medtronic | Memphis, TN

Apr 2018 – Feb 2019

- Delivered technical support and documentation for complex enterprise healthcare systems used by field reps.
- Developed a **PowerShell automation tool**, reducing repetitive task time by 60% and improving deployment speed.
- Authored internal workflow documentation and job aids, cutting escalations by 40%.
- Captured and organized technical requirements for new feature launches, supporting user training efforts.

IT Support Specialist | City of Fort Smith Government | Fort Smith, AR

Jan 2011 – Apr 2018

- Supported 1,200+ devices across departments; created **step-by-step end-user guides, FAQs, and internal documentation** that improved help desk efficiency.
- Managed documentation during hardware/software rollouts, leading to **25% faster adoption rates** across departments.
- Coordinated L&D sessions for new tools and processes, tailoring content to public sector users in HR, Legal, and Public Safety.

Founder & Support Consultant | Fancy Fox Creative | Fort Smith, AR

Sep 2010 – Dec 2017

- Designed **CMS walkthroughs, training manuals, and portal FAQs** to reduce support requests by 40% for small business clients.
- Delivered tailored documentation packages and training sessions that empowered non-technical users to manage websites independently.
- Created **onboarding materials** for freelance developers and contractors to align with client processes.

Director of Information & Technical Writer | Fort Smith Chamber of Commerce | Fort Smith, AR

Jul 2007 – Jan 2011

- Authored RFP templates, business recruitment documentation, and internal IT SOPs.
- Created **training and onboarding resources** for internal users, increasing technical self-sufficiency.
- Oversaw documentation for local economic development projects, aligning with marketing and outreach efforts.
