Professional Summary

Technical and brand-focused writer with 10+ years' experience producing clear, engaging, and customer-centric content for SaaS, consumer technology, and ecommerce brands. Skilled at blending technical accuracy with creative storytelling to simplify complex concepts and build user confidence.

Experienced in crafting Help Center articles, email campaigns, blogs, video scripts, and self-service content that align with brand voice and marketing goals. Proficient in collaborating cross-functionally with marketing, product, and support teams to deliver cohesive customer experiences.

Strong editorial background with adherence to AP Style and brand guidelines, using data-driven insights to optimize content performance.

Professional Experience

Freelance Technical Writer & Content Strategist

Remote | Jan 2018 – Present

- Write and edit customer-facing Help Center articles, onboarding emails, FAQs, blogs, video scripts, and self-service content to translate complex SaaS and technology topics into clear, accessible language for diverse audiences.
- Developed onboarding email flows and campaign copy for FunnelBuildr, Snappy Kraken, MentorPass, enhancing user activation and retention.
- Managed and edited weekly AI industry newsletter for Futurepedia, improving clarity, structure, and reader engagement.
- Produced long-form, SEO-optimized content and product descriptions for Shoptimized, boosting buyer confidence and conversion.
- Collaborated closely with marketing, product, and support teams to ensure content meets brand voice, tone, and evolving customer needs.
- Applied AP Style and internal brand standards consistently across all content, ensuring accuracy and compliance.
- Used content analytics and user feedback to refine messaging, improve engagement, and reduce support inquiries.
- Created user journey maps and onboarding content strategies for SaaS clients, aligning copy with customer mental models and brand messaging.

Technical User Support Analyst

Medtronic – Memphis, TN | Apr 2018 – Feb 2019

- Authored internal support documentation and SOPs for IT tools and secure system configuration.
- Maintained and updated knowledge base content in SharePoint to support operational needs.

IT Support Specialist

City of Fort Smith – Fort Smith, AR | Jan 2011 – Apr 2018

- Developed onboarding guides, internal documentation, and troubleshooting content for multiple departments.
- Led documentation for IT policies and software integration to improve resolution times and reduce downtime.

Owner / Web & Tech Consultant

Fancy Fox Creative – Fort Smith, AR | Sep 2010 – Dec 2017

- Created customer-facing knowledge base articles, how-to guides, and technical documentation for small businesses, reducing live support requests by 50%.

- Documented CRM, CMS, and SaaS workflows with clear, user-friendly language supporting cross-platform functionality.
 - Developed process documentation for finance and invoicing to improve internal business operations.
-
